Debate Tournament Invitation

November 9, 2024

On behalf of Fitch High School and the CDA, you are invited to our second regular tournament of the 2024-25 season on Saturday, November 9, 2024. We will follow our regular format: one hour for case preparation, four rounds of debate in Varsity and Novice divisions, and a final round between the top two Varsity teams.

Fitch has limited space. To plan effectively, we ask all Coaches to fill out the following Google form *by the end of the day on Friday, November 1*:

<https://forms.gle/r2CSnflD3CRdEBkz6>

Please read the following carefully:

- 1. Timeline:** Please respect the timeline for signing up for this tournament:
 - a. October 28, 8AM—invitation goes out to all Coaches and is posted on the CDA website.
 - b. October 28, 8AM—tournament opens for registration on Tabroom. All teams will be wait-listed until Wednesday evening, November 6.
 - c. November 1, 6PM—Coaches must complete Google form if they wish to attend.
 - d. *Wednesday, November 6, 6PM—teams must be entered in Tabroom. Entries after this time will be accepted only if there is room.***
 - e. November 9, 9AM—tournament begins!
- 2. Numbers:** Space is limited, and the number accepted will depend on demand. Please provide a guess-timate in the Google form. We use the information to set an initial team limit per school to be fair to all involved. We admit additional teams as space permits.
- 3. Judges:** You must have one qualified judge for every two teams or part thereof. Judges should bring a laptop or tablet so that they can use an electronic ballot.
- 4. Registration:** You must register your teams and judges through [Tabroom.com](https://www.tabroom.com). Instructions for using Tabroom.com for CDA can be found here: <http://ctdebate.org/PDFs/Using%20Tabroom.pdf>. We will be using Tabroom.com for registration for all tournaments.
 - a. There will be three events: Varsity, Novice and Observer. See Novice eligibility rules below.
 - b. For Judges there will be two categories, Varsity and Novice.
 - i. Varsity judges should either have judged a debate tournament before or be former debaters.
 - ii. *Someone who has never judged before should be entered as a Novice judge.*** (It is your obligation as Coach to provide new judges with some orientation and training. See the CDA website for material.)
 - iii. Tabroom counts judge coverage by event. Don't worry about Tabroom complaining you are not covered in Varsity or Novice if you are covered in total. We move judges between Varsity and Novice if necessary to manage the tournament.
- 5. Novices:** Please abide by the rules for Novice eligibility:

- a. The Novice division will be open to Freshman and Sophomores, regardless of experience or record. They may qualify and participate as Novices in State Finals both years. However, they may move up to Varsity at any time if they or their coach choose, and once having chosen to move up, may not return to Novice. Coaches are encouraged to move a Sophomore up to Varsity if they have been successful as a Freshman but are not required to do so.
 - b. A Novice who moves up to Varsity for one tournament to complete a team pairing may return to Novice at their next tournament.
 - c. Juniors who have never debated before in CDA may participate as Novices in their first regular CDA tournament. Otherwise they may only debate in Varsity. They may not participate in State Finals except in Varsity. They may only qualify for State Finals while debating in Varsity.
 - d. Seniors may not participate as Novices in any CDA tournament.
6. **Coaches:** Debaters cannot attend individually. *We expect each team to be accompanied by a Coach or responsible adult approved by your school* who will follow and manage the team’s activities and be available for discussion if required. This is a CAS rule, not simply CDA practice. The Coach or chaperone may also serve as a judge.

If you have any questions or comments, please email me at ejrutan3@ctdebate.org.

Tournament Day Schedule
